

NorthPointe Community Church offers Electronic Funds Transfers (EFT), a convenient and easy way for you to make your weekly/monthly offering and support the ministries of the church.

By completing the information on this and the attached form you are authorizing NorthPointe to deduct from your checking or savings account an amount of your choosing either once or twice a month. These deductions will occur on the 2nd and/or the 16th of each month until such time as you decide to terminate the agreement (see attached form for complete details). If one of these dates falls on a weekend or holiday, the transaction will take place on the next business day.

Once you have completed and signed both forms, please return them in the attached postage-paid return envelope.

Step 1: Choose how you want to give:

I want to begin on the 2nd **and** the 16th of _____ (month) **for a deduction twice each month.**

OR
